WILLAMETTE NURSERY COMPANY

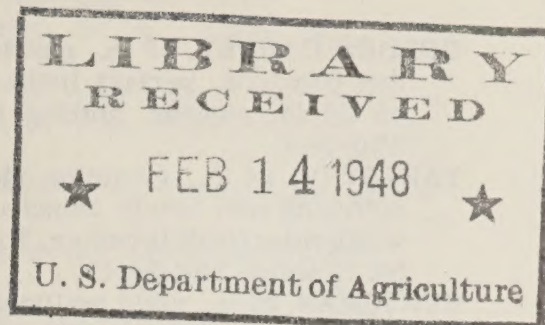

Growers of Fine Mums

8512 S. E. 57th Ave., TA 4753

Portland 6, Oregon

POSTMASTER: IF UNDELIVERABLE FOR ANY REASON, NOTIFY SENDER, STATING REASON ON FORM 3547, POSTAGE FOR WHICH IS GUARANTEED.

PLEASE READ BEFORE ORDERING

ORDER EARLY. For best results Mums should be planted **EARLY**. We begin shipping rooted cuttings as soon after April 15th as the weather permits. We do **NOT** accept orders after May 15th except for late varieties to be grown under glass.

GUARANTEE: If our rooted Mum cuttings do not prove true to name we will replace them **FREE** next spring if notified by November 1st. Any rooted cuttings that do not arrive in good condition will be replaced **FREE** if notified within one week from date of shipping. We want you to succeed with our Mums, for **YOUR SATISFACTION IS OUR SUCCESS**. **PRICES** include packing charges and the new higher postage. No. C. O. D. Full **CULTURAL INSTRUCTIONS**, including winter care, will be enclosed with each order.

LOCATION: For best results plant Mums in sunny spot where sun shines from early morning to at least 4 P.M.

SPECIAL RAINBOW COLLECTIONS, fine for beginners in Mum gardening. Collection A—12 rooted cuttings of **HARDY** Mums in 12 shades \$3.00 postpaid. Collection B—24 rooted cuttings of **HARDY** Mums in 24 shades, \$5.50 postpaid. (The varieties are of our choice and cannot be exchanged. Order named varieties if you wish varieties different from those you already have)

SPECIAL TO GARDEN CLUBS: Members of Garden Clubs may pool their orders and have them shipped in care of their president at a discount of 20 per cent. Why not plan for an **EARLY** Mum Show to exhibit English Mums and **EARLY** Hardy Mums?

BOOKS: **CHRYSANTHEMUMS**, How I Grow them Outdoors \$1.50
GARDEN AND GREENHOUSE CHRYSANTHEMUMS \$2.00
HARDY CHRYSANTHEMUMS by Alex Cumming \$2.50

I. PATENTED CHRYSANTHEMUMS

NOTE: These Patented Chrysanthemums are grown by us under license from the Patent Owner. We sell them subject to all Patent restrictions. The Prices are set by the Patent Owner.

	Each
FRED F. ROCKWELL , Plant Patent #718, orange-bronze pompon, early Oct. Very hardy, very showy	\$.75

MILADY, white, large, very lovely, Sept. .	.50
MRS. T. RILEY, large white, reflexed, fine, Sept.60
WENDY, bright orange-bronze, profuse bloomer, Sept.50

V. EARLY HARDY CHRYSANTHEMUMS

Prices: Each 30 cents postpaid, except where noted otherwise.

NOTE: If you like chrysanthemums and like them EARLY the Early Hardy Mums in this section are the Mums for YOU, especially as they bring a riot of color into your otherwise drab Fall Garden. These Mums are HARDY that means that rain and light frost will not hurt

the flowers. For colder climates choose those varieties that bloom before the first KILLING frost. You may also grow them in your greenhouse. These Mums are also HARDY in that they need little or no winter protection. In wet climates drain the water from the plants in winter, in cold regions cover them with firboughs, straw etc. (For Mums in July and August see: Early English Mums and: Cushion Mums)

Bloom in Early September

VI CUSHION — OR AZALEAMUMS

Prices: Each 40 cents postpaid, except where noted otherwise.

NOTE: We discontinued growing of all unnamed older varieties of Cushion Mums because they are not very satisfactory. These newer varieties are of much better color. They do not grow higher than 24 in., they form bloom-covered mounds and are very nice for rockeries, along walks etc. They bloom earlier the second year.

ACHIEVEMENT, 12 in., bronze to pink, Mid-Sept. each .40
 APRICOT GLOW, 24 in., apricot bronze, Mid-Sept. each .40
